Lead your students in a service-learning project to make a **positive change** in your community!

**Research** issues important to the community in an after-school setting

**Act** to make positive change

**Reflect** on and present work to peers, families, and other stakeholders

Apply now to launch a Service in Schools Kids Action Team!

Teachers participating in the Service in Schools Kids Action Team Program receive two full days of professional learning plus resources and support to guide students through a service-learning project in an after-school setting.

The program culminates with the Celebration of Service, where students will share out their service accomplishments.

This opportunity is open to grades K-5 classroom or cluster teachers.

Visit [https://tinyurl.com/KAT1920](https://tinyurl.com/KAT1920) for more information and to apply. Email questions to ServiceinSchools@schools.nyc.gov.

**Application deadline is Monday, October 28, 2019.**
